Cancellation and Modification. To cancel (or modify) your membership you must complete and sign an official Brawnergy cancellation/modification form available upon request **two weeks before** you want the cancellation or modification to become effective. When you complete and submit the cancellation for you: (a) will be entitled to use your final "membership rate" massage up until (and your membership will end at) the end of business on the last day of the calendar month after your cancellation notice is submitted. There is no cancellation fee if you've completed your 3 month commitment. Cancellations within 3 months of membership will result in a fee equal to your monthly membership commitment. If you have accumulated a massage from the previous month and it has not been used as of the last day of the calendar month after cancellation, it will convert into a credit on your account. The credit can be used by you toward future "full rate" massages after such date. Your failure to pay for 2 consecutive months of the membership will automatically terminate your membership and all remaining massages will be forfeited.
